CHAIRMAN'S MESSAGE

CHAIRMAN'S MESSAGE

Dear Shareholders,

It gives me immense pleasure to present the Annual Report of **KD GREEN INDUSTRIES LIMITED** for the F.Y. 2025–26.

This year marks an important phase in the evolution of your Company. With the change in our corporate identity to KD Green Industries Limited, we have embarked on a journey to build a **diversified, sustainable and growth-oriented industrial platform**, aligned with India's long-term priorities in manufacturing, infrastructure and the green economy.

India's continued investment in infrastructure, manufacturing, energy, telecommunications and urban development—particularly in the North-Eastern region—presents significant opportunities. As a Company headquartered in Assam, we believe we are well positioned to participate in this growth and contribute to the development of a stronger manufacturing ecosystem in the region.

Building Scale and Diversification

Our strategy is focused on developing complementary businesses across **steel, infrastructure products, green manufacturing, sustainable construction materials and recycling**. Our portfolio includes galvanized steel pipes and poles, fabricated infrastructure products, AAC blocks and vehicle recycling, creating multiple avenues for growth and reducing dependence on any single business segment.

A key milestone in this journey is the **proposed consolidation of KD IRON & STEEL PRIVATE LIMITED with the Company**, subject to due diligence and requisite statutory and regulatory approvals. KD Iron & Steel, the flagship

manufacturing company of the KD Group operating under the XTECH brand, is undertaking an expansion programme of approximately ₹325 crore. Upon completion, furnace capacity is expected to increase from approximately **90,000 MT to 1,80,000 MT per annum**, and rolling capacity from approximately 99,000 MT to 2,00,000 MT per annum.

The expansion also envisages a **25 MW captive solar power plant**, supporting both scale and energy efficiency.

Our infrastructure business is another important growth pillar. Through our subsidiary **SHIVAM PIPE INDUSTRIES**, we are participating in opportunities across the North-East, particularly in power distribution and telecommunications. Orders from electricity utilities and a significant **BSNL BharatNet Phase-III** order reflect our growing capabilities and institutional relationships. We intend to further expand our product range, market presence and dealer and institutional network under the XTECH brand.

Sustainability at the Core

The word “**Green**” in our identity represents more than a name—it reflects the direction of our business. Our steel operations utilise recycled metal scrap, our AAC block business uses suitable industrial and natural materials such as river silt, and our vehicle recycling business focuses on organised dismantling and recovery of recyclable materials. The proposed captive solar plant further strengthens our commitment to renewable energy and resource efficiency.

We firmly believe that **sustainability and profitability can reinforce each other** through efficient resource utilisation, energy efficiency, recycling and responsible manufacturing.

Focused Execution and Long-Term Value Creation

As we enter this transformational phase, we remain conscious that growth must be accompanied by **disciplined execution, strong governance, prudent capital allocation and effective working-capital management**. Our focus will be on converting investments into productive assets, achieving

healthy capacity utilisation, integrating our businesses effectively and generating sustainable cash flows.

We recognise the risks associated with rapid expansion, including commodity-price volatility, project execution, working-capital requirements, competition, regulatory approvals and business integration. These will continue to receive our close attention as we pursue growth while safeguarding the long-term interests of our shareholders.

Our Vision for the Future

Our vision extends beyond the immediate financial year. We aspire to establish **KD Green Industries Limited as a professionally managed, diversified and sustainable manufacturing enterprise**, with strong capabilities across steel, infrastructure and green businesses.

We aim to build enduring competitive advantages through scale, vertical integration, regional strength, sustainability and disciplined capital allocation. The proposed consolidation with **KD IRON & STEEL PRIVATE LIMITED**, the planned ₹325 crore expansion, renewable energy capacity, and the development of our pipes, poles, AAC blocks, recycling and infrastructure businesses provide a strong foundation for this vision. Our immediate priorities remain clear: **execution, integration, capacity utilisation, financial discipline and sustainable growth**.

I would like to express my sincere gratitude to our shareholders for their continued trust and support. I also thank our customers, suppliers, lenders, business partners, government authorities, employees and all other stakeholders for their confidence in KD Green Industries Limited. The transformation we have initiated is a journey, not an event. We remain committed to pursuing this journey with **integrity, transparency, discipline and a long-term perspective**, with the objective of creating enduring value for all our stakeholders.

With warm regards,

Chairman
KD Green Industries Limited

AWARDS AND RECOGNITIONS

AWARDS & RECOGNITIONS

The KD Group continues to build its reputation on a foundation of quality, operational excellence, innovation and responsible business practices. Over the years, the Group and its associated entities have received recognition for their contribution to industry and their commitment to excellence.

The Group's journey of recognition includes the Assam Udyog Ratna Award (2009), acknowledging its contribution to the industrial landscape of Assam. This was followed by the Ispat Udyog Ratan Award (2018) presented by the All-India Induction Furnace Association, and the Guwahati Best Brand Leadership Award (2018), reflecting the Group's growing presence and brand leadership in the region.

The Group was also recognised through the Certificate of Appreciation from the Ministry of Steel, Government of India, reinforcing its contribution to the steel sector. More recently, its commitment to quality excellence was recognised through the India 500 SME Awards 2024 for Quality Excellence.

More recently, Mr. Dilip Kumar Goenka was honoured with the Times Business Award, North-East, 3rd Edition, for Excellence in Sustainable Manufacturing and Green Innovation. This recognition reflects the Group's continued emphasis on sustainable manufacturing practices, innovation and environmentally responsible growth.

Commitment to Quality and Sustainable Manufacturing

The Group continues to strengthen its manufacturing capabilities through investments in technology, process improvement and sustainable practices. Its adoption of Green Steel Certification reflects

an increasing emphasis on environmental performance, sustainability and regulatory alignment. The addition of a Ladle Refining Furnace (LRF) has further enhanced the steelmaking process by supporting improved quality, consistency and impurity control.

Together, these initiatives demonstrate the Group's continued focus on building a quality-driven and sustainability-oriented manufacturing ecosystem. The Group remains committed to pursuing responsible growth while creating long-term value for its customers, stakeholders and the communities in which it operates.

BOARD OF DIRECTORS

Director Profile

Mr. Dilip Kumar Goenka

Director & Promoter | Technical Vision, Innovation & Expansion

Mr. Dilip Kumar Goenka is a Chemical Engineer and a visionary industrial entrepreneur whose career has been closely associated with the evolution of modern manufacturing in North East India. With extensive experience spanning cement, metallurgical coke, steel, building materials and emerging circular-economy businesses, he has been instrumental in translating industrial opportunities into scalable and technology-driven enterprises.

He began his professional career with Indian Oil Corporation Limited and subsequently gained industrial experience with Kanoria Chemicals & Industries Limited. He later joined the Lohia Group as Chief Executive Officer of North Cachar Cements and was involved in conceiving and implementing Barak Industries Limited. This experience laid the foundation for his subsequent entrepreneurial journey with the KD Group.

A significant chapter in Mr. Goenka's entrepreneurial journey began in 2002–03, when he and his brother, Mr. Binod Kumar Goenka, established G.L. Coke (P) Ltd., marking their entry into coal carbonization. This was followed in 2005 by the establishment of KD Cokes, a Low Ash Metallurgical Coke manufacturing unit and partnership venture, distinguished by its pioneering smokeless chimney technology.

In 2008–09, the Group further advanced its capabilities with the commissioning of a state-of-the-art Heavy Media Coal Washery to refine coal from the North East and produce products with superior and consistent chemical characteristics. The facility achieved a significant technological milestone as the first coal washery in the world to wash coal having approximately 4% sulphur content.

In 2014, the Group entered the AAC block manufacturing sector with the establishment of its first facility in North East India under KD Infra, a partnership firm, at Changsari, Kamrup District. **The venture introduced an innovative and sustainable approach by utilising river silt from the Brahmaputra—previously regarded primarily as a waste material used for land filling—as a raw material for AAC block manufacturing in India. This initiative reflected Mr. Goenka's continued emphasis on resource utilisation, innovation and environmentally responsible manufacturing.**

As the Group's principal leader for **technical operations, project development and expansion**, Mr. Goenka has been at the forefront of major capacity-building initiatives. His leadership has extended beyond conventional manufacturing into technology adoption, backward and forward integration, renewable energy and environmentally responsible industrial solutions.

One of the significant milestones in his journey has been the establishment of Druk Metallurgy Limited in Bhutan in partnership with Druk Holding & Investments Limited,

where a 2.00 lakh MTPA billet plant was commissioned in December 2019. His strategic approach has also driven the Group's expansion into AAC blocks, recycling, warehousing, pipes and electric poles, creating a broader and more integrated industrial ecosystem.

A defining feature of Mr. Goenka's leadership is his emphasis on **quality, innovation and sustainability**. The Group's Green AAC initiatives, registered vehicle scrapping facility and lead-acid battery recycling operations demonstrate an approach to industrial growth that increasingly embraces resource efficiency and the principles of a circular economy.

His industrial vision is also closely aligned with the development of North East India. By establishing manufacturing capacities, strengthening supply chains and creating employment opportunities, he has sought to demonstrate that regional industrialisation can be both commercially successful and socially meaningful.

In recognition of his contribution to entrepreneurship and industrial development, Mr. Goenka was conferred the **Assam Udyog Ratna Award by the Government of Assam in 2009**. He was also conferred the **Ispat Udyog Ratan Award in 2018** by the All-India Induction Furnaces Association for his contribution to quality, product development, technology upgradation and the steel industry.

More recently, Mr. Goenka was honoured with the **Times Business Award, North-East, 3rd Edition**, for **Excellence in Sustainable Manufacturing and Green Innovation**. This recognition reflects his continued commitment to advancing responsible manufacturing, resource efficiency and environmentally conscious industrial growth.

His leadership philosophy can be summed up in a simple conviction: **build for tomorrow, innovate with purpose and grow in a manner that creates value for customers, communities and stakeholders.**

Mr. Binod Kumar Goenka

Director & Promoter | Commercial, Financial & Strategic Leadership

Mr. Binod Kumar Goenka is a law graduate and an entrepreneur with close to three decades of experience in the manufacturing and marketing of steel and building materials in North East India. As one of the promoters of the KD Group, he has played a pivotal role in building the Group's commercial foundation and in shaping its growth journey from a regional industrial enterprise into a diversified business platform.

Mr. Binod Kumar Goenka's first association with the Group's industrial journey began with G.L. Coke (P) Ltd., which he established jointly with his brother, Mr. Dilip Kumar Goenka, in 2002–03. This marked the beginning of his active involvement in the Group's business operations and laid the foundation for its subsequent expansion across coke, steel, building materials and infrastructure. His experience across multiple business cycles has given him a comprehensive understanding of markets, customers, supply chains, financial planning and business administration.

At KD Group, Mr. Goenka oversees the critical commercial and administrative functions encompassing **sales, procurement, accounts, legal affairs, finance and fund planning**. His leadership is characterised by a disciplined approach to financial stewardship, commercial relationships and long-term business planning.

Under his stewardship, the Group has progressively expanded its presence across steel and allied industries, building materials, recycling and other emerging business opportunities. His understanding of regional markets and customer relationships has contributed to strengthening the Group's distribution ecosystem and creating a durable market presence.

For Mr. Goenka, growth is not merely about scale—it is about creating a business that is **resilient, responsible and capable of generating enduring value**. His approach combines financial prudence with entrepreneurial agility, enabling the Group to pursue new opportunities while maintaining a strong focus on operational discipline.

His journey reflects an important entrepreneurial principle: **sustainable growth is built through trust, consistency and the ability to transform opportunities into lasting institutions**.

TWO LEADERS. ONE VISION.

Together, Mr. Binod Kumar Goenka and Mr. Dilip Kumar Goenka represent complementary dimensions of entrepreneurial leadership—**commercial discipline and technical innovation, financial stewardship and project execution, market understanding and long-term industrial vision.**

Their journey reflects the evolution of the KD Group from individual industrial ventures into a diversified ecosystem spanning steel, building materials, recycling, infrastructure and renewable energy. The Group's ongoing capacity expansion and renewable-energy initiatives further demonstrate their continued focus on strengthening competitiveness while preparing the business for a more sustainable future.

Their collective philosophy is rooted in creating businesses that are not only commercially viable, but also capable of contributing to **employment, regional development, technological progress and sustainable industrialisation.**

Their story is ultimately a story of enterprise with purpose—of turning regional opportunities into industrial capabilities, challenges into possibilities, and today's investments into tomorrow's growth.

Item No.- 3:

Approve the Related Party Transaction with Shivam Pipe Industries ("the Firm"), a subsidiary of the Company.

A. Manufacturing of Steel Products

Shivam Pipe Industries ("the Firm") is a Related Party of the Company within the meaning of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR").

The Company, in the ordinary course of its business, proposes to enter into, continue, renew, modify and/or execute one or more contract(s), arrangement(s) and/or transaction(s) with "the Firm" for manufacturing of MS Pipes, Galvanized Pipes, Steel Tubes, Electric Steel Poles, and other tubular structures, from time to time, in one or more tranches, during the financial year(s), as may be mutually agreed between the Company and "the Firm".

The aggregate value of the proposed transaction(s) with “the Firm” shall not exceed **₹100 Crores (Rupees One Hundred Crores only)**. The proposed transaction(s) may comprise individual transaction(s) or a series of transaction(s) taken together.

The proposed transaction(s) are expected to be undertaken in the **ordinary course of business and on an arm’s length basis**, and the terms and conditions of the transaction(s) shall be determined based on prevailing market conditions, commercial considerations and the nature and scope of services being availed/rendered.

The Audit Committee of the Company, at its meeting held on **3rd September, 2026** after considering the relevant details and information, including the nature, material terms and conditions, pricing and other relevant factors, approved/recommended the proposed Related Party Transaction(s). The Board of Directors, at its meeting held on **3rd September, 2026** considered and approved/recommended the same for approval of the Members of the Company.

Since the aggregate value of the proposed transaction(s) is expected to exceed the applicable threshold prescribed under Regulation 23 of SEBI LODR, approval of the Members of the Company is being sought for entering into the proposed Related Party Transaction(s).

The proposed transactions are intended to support the Company's business requirements and operational activities. Depending upon the business requirements of the Company, services may be availed from and/or rendered to “Shivam Pipe Industries”. The proposed arrangement provides flexibility to the Company to undertake such transactions from time to time without having to seek separate approval for each individual transaction, subject to the overall monetary limit approved by the Members.

The Board of Directors recommends the resolutions set forth above, at Item No. 3, for the approval of the Members as an Ordinary Resolution.

B. To grant and/or availing of loans, inter-corporate deposits and/or other financial assistance

The Company proposes to enter into and/or continue to enter into transactions with “Shivam Pipe Industries” by way of granting and/or availing of loans, inter-corporate deposits and/or other financial assistance, from time to time, in one or more tranches, as may be required for the business and financial requirements of the parties.

The aggregate value of such proposed transaction(s) shall not exceed ₹100 Crore (Rupees Hundred Crore Only) during the relevant period, as may be approved by the Members. The transactions may be undertaken either individually or through a series of transactions taken together.

The proposed transaction(s) are intended to facilitate the financial and business requirements of the Company and/or “the Firm”, as applicable, and provide the Company with flexibility to deploy or obtain funds, as the case may be, in accordance with its business requirements and applicable laws.

The Audit Committee of the Company, after considering the relevant details and information relating to the proposed transactions, has recommended the proposed Related Party Transaction(s) to the Board of Directors. The Board of Directors, after considering the recommendation of the Audit Committee and the relevant terms and conditions, has approved and recommended the proposed transaction(s) for approval of the Members of the Company.

Since the aggregate value of the proposed transaction(s) may exceed the applicable threshold prescribed under Regulation 23 of SEBI LODR, approval of the Members is being sought for undertaking the proposed Related Party Transaction(s).

Further, the proposed transactions shall be undertaken subject to compliance with the applicable provisions of Sections 185 and 186 of the Act, the rules made thereunder, SEBI LODR and other applicable laws, regulations and statutory requirements.

Item No.- 4:

Approve the Related Party Transaction with K D Infrastructures Private Limited, a subsidiary of the Company.

A. Manufacturing, processing and marketing of fabricated steel products

K D Infrastructures Private Limited is a Related Party of the Company within the meaning of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR").

The Company, in the ordinary course of its business, proposes to enter into, continue, renew, modify and/or execute one or more contract(s), arrangement(s) and/or transaction(s) with K D Infrastructures Private Limited for manufacturing, processing and marketing of a wide range of galvanized and metallic products, including pipes, poles, high masts, crash barriers, gratings, electro gratings and cable trays made from HR Coils, mild steel, stainless steel and other materials, from time to time, in one or more tranches, during the financial year(s), as may be mutually agreed between the Company and K D Infrastructures Private Limited.

The aggregate value of the proposed transaction(s) with K D Infrastructures Private Limited shall not exceed **₹100 Crores (Rupees One Hundred Crores only)**. The proposed transaction(s) may comprise individual transaction(s) or a series of transaction(s) taken together.

The proposed transaction(s) are expected to be undertaken in the **ordinary course of business and on an arm's length basis**, and the terms and conditions of the transaction(s) shall be determined based on prevailing market conditions, commercial considerations and the nature and scope of services being availed/rendered.

The Audit Committee of the Company, at its meeting held on **3rd September, 2026** after considering the relevant details and information, including the nature, material terms and conditions, pricing and other relevant factors, approved/recommended the proposed Related Party Transaction(s). The Board of Directors, at its meeting held on **3rd September, 2026** considered and approved/recommended the same for approval of the Members of the Company.

Since the aggregate value of the proposed transaction(s) is expected to exceed the applicable threshold prescribed under Regulation 23 of SEBI LODR, approval of the Members of the Company is being sought for entering into the proposed Related Party Transaction(s).

The proposed transactions are intended to support the Company's business requirements and operational activities. Depending upon the business requirements of the Company, services may be availed from and/or rendered to K D Infrastructures Private Limited. The proposed arrangement provides flexibility to the Company to undertake such transactions from time to time without having

to seek separate approval for each individual transaction, subject to the overall monetary limit approved by the Members.

The Board of Directors recommends the resolutions set forth above, at Item No. 4, for the approval of the Members as an Ordinary Resolution.

B. To grant and/or availing of loans, inter-corporate deposits and/or other financial assistance

The Company proposes to enter into and/or continue to enter into transactions with K D Infrastructures Private Limited by way of granting and/or availing of loans, inter-corporate deposits and/or other financial assistance, from time to time, in one or more tranches, as may be required for the business and financial requirements of the parties.

The aggregate value of such proposed transaction(s) shall not exceed ₹100 Crore (Rupees Hundred Crore Only) during the relevant period, as may be approved by the Members. The transactions may be undertaken either individually or through a series of transactions taken together.

The proposed transaction(s) are intended to facilitate the financial and business requirements of the Company and/or K D Infrastructures Private Limited, as applicable, and provide the Company with flexibility to deploy or obtain funds, as the case may be, in accordance with its business requirements and applicable laws.

The Audit Committee of the Company, after considering the relevant details and information relating to the proposed transactions, has recommended the proposed Related Party Transaction(s) to the Board of Directors. The Board of Directors, after considering the recommendation of the Audit Committee and the relevant terms and conditions, has approved and recommended the proposed transaction(s) for approval of the Members of the Company.

Since the aggregate value of the proposed transaction(s) may exceed the applicable threshold prescribed under Regulation 23 of SEBI LODR, approval of the Members is being sought for undertaking the proposed Related Party Transaction(s).

Further, the proposed transactions shall be undertaken subject to compliance with the applicable provisions of Sections 185 and 186 of the Act, the rules made thereunder, SEBI LODR and other applicable laws, regulations and statutory requirements.

The Board of Directors recommends the resolutions set forth above, at Item No. 4, for the approval of the Members as an Ordinary Resolution.

A. Manufacturing of Construction Material

Green AAC Block and Mortar Private Limited (Formerly known as Gotripily Travel Services Private Limited) is a Related Party of the Company within the meaning of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR").

The Company, in the ordinary course of its business, proposes to enter into, continue, renew, modify and/or execute one or more contract(s), arrangement(s) and/or transaction(s) with Green AAC Block and Mortar Private Limited (Formerly known as Gotripily Travel Services Private Limited) for Production, manufacturing, processing, preparation, refinement, import, export, purchase, sale and kinds of eco-friendly building materials, with a special emphasis on Autoclaved Aerated Concrete (AAC) blocks, from time to time, in one or more tranches, during the financial year(s), as may be mutually agreed between the Company and Green AAC Block and Mortar Private Limited.

The aggregate value of the proposed transaction(s) with Green AAC Block and Mortar Private Limited shall not exceed **₹100 Crores (Rupees One Hundred Crores only)**. The proposed transaction(s) may comprise individual transaction(s) or a series of transaction(s) taken together.

The proposed transaction(s) are expected to be undertaken in the **ordinary course of business and on an arm's length basis**, and the terms and conditions of the transaction(s) shall be determined based on prevailing market conditions, commercial considerations and the nature and scope of services being availed/rendered.

The Audit Committee of the Company, at its meeting held on **3rd September, 2026** after considering the relevant details and information, including the nature, material terms and conditions, pricing and other relevant factors, approved/recommended the proposed Related Party Transaction(s). The Board of Directors, at its meeting held on **3rd September, 2026** considered and approved/recommended the same for approval of the Members of the Company.

Since the aggregate value of the proposed transaction(s) is expected to exceed the applicable threshold prescribed under Regulation 23 of SEBI LODR, approval of the Members of the Company is being sought for entering into the proposed Related Party Transaction(s).

The proposed transactions are intended to support the Company's business requirements and operational activities. Depending upon the business requirements of the Company, services may be availed from and/or rendered to Green AAC Block and Mortar Private Limited. The proposed arrangement provides flexibility to the Company to undertake such transactions from time to time without having to seek separate approval for each individual transaction, subject to the overall monetary limit approved by the Members.

The Board of Directors recommends the resolutions set forth above, at Item No. 5, for the approval of the Members as an Ordinary Resolution.

B. To grant and/or availing of loans, inter-corporate deposits and/or other financial assistance

The Company proposes to enter into and/or continue to enter into transactions with Green AAC Block and Mortar Private Limited by way of granting and/or availing of loans, inter-corporate deposits and/or other financial assistance, from time to time, in one or more tranches, as may be required for the business and financial requirements of the parties.

The aggregate value of such proposed transaction(s) shall not exceed ₹100 Crore (Rupees Hundred Crore Only) during the relevant period, as may be approved by the Members. The transactions may be undertaken either individually or through a series of transactions taken together.

The proposed transaction(s) are intended to facilitate the financial and business requirements of the Company and/or Green AAC Block and Mortar Private Limited, as applicable, and provide the Company with flexibility to deploy or obtain funds, as the case may be, in accordance with its business requirements and applicable laws.

The Audit Committee of the Company, after considering the relevant details and information relating to the proposed transactions, has recommended the proposed Related Party Transaction(s) to the Board of Directors. The Board of Directors, after considering the recommendation of the Audit Committee and the relevant terms and conditions, has approved and recommended the proposed transaction(s) for approval of the Members of the Company.

Since the aggregate value of the proposed transaction(s) may exceed the applicable threshold prescribed under Regulation 23 of SEBI LODR, approval of the Members is being sought for undertaking the proposed Related Party Transaction(s).

Further, the proposed transactions shall be undertaken subject to compliance with the applicable provisions of Sections 185 and 186 of the Act, the rules made thereunder, SEBI LODR and other applicable laws, regulations and statutory requirements.

The Board of Directors recommends the resolutions set forth above, at Item No. 5, for the approval of the Members as an Ordinary Resolution.

Item No.- 6:

Approve the Related Party Transaction with K D Ecosystem (“the Firm”), an associate of the Company.

A. Availing and/or rendering of metal and non- metal recycling services

K D Ecosystem (“the Firm”) is a Related Party of the Company within the meaning of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI LODR”).

The Company, in the ordinary course of its business, proposes to enter into, continue, renew, modify and/or execute one or more contract(s), arrangement(s) and/or transaction(s) with “the Firm” for Vehicle Scrappage Facility for End of Life and Condemned Vehicles. K D Ecosystem has set an Advanced and Scientific Facility for Scrappage of Vehicles wherein provision appropriate has been made for Collection, Scrapping, Dismantling and Disposal of such Vehicles, from time to time, in one or more tranches, during the financial year(s), as may be mutually agreed between the Company and “the Firm”.

The aggregate value of the proposed transaction(s) with “the Firm” shall not exceed **₹100 Crores (Rupees One Hundred Crores only)**. The proposed transaction(s) may comprise individual transaction(s) or a series of transaction(s) taken together.

The proposed transaction(s) are expected to be undertaken in the **ordinary course of business and on an arm’s length basis**, and the terms and conditions of the transaction(s) shall be determined based on prevailing market conditions, commercial considerations and the nature and scope of services being availed/rendered.

The Audit Committee of the Company, at its meeting held on **3rd September, 2026** after considering the relevant details and information, including the nature, material terms and conditions, pricing and other relevant factors, approved/recommended the proposed Related Party Transaction(s). The Board of Directors, at its meeting held on **3rd September, 2026** considered and approved/recommended the same for approval of the Members of the Company.

Since the aggregate value of the proposed transaction(s) is expected to exceed the applicable threshold prescribed under Regulation 23 of SEBI LODR, approval of the Members of the Company is being sought for entering into the proposed Related Party Transaction(s).

The proposed transactions are intended to support the Company's business requirements and operational activities. Depending upon the business requirements of the Company, services may be availed from and/or rendered to K D Ecosystem. The proposed arrangement provides flexibility to the Company to undertake such transactions from time to time without having to seek separate approval for each individual transaction, subject to the overall monetary limit approved by the Members.

The Board of Directors recommends the resolutions set forth above, at Item No. 6, for the approval of the Members as an Ordinary Resolution.

B. To grant and/or availing of loans, inter-corporate deposits and/or other financial assistance

The Company proposes to enter into and/or continue to enter into transactions with “K D Ecosystem” by way of granting and/or availing of loans, inter-corporate deposits and/or other financial assistance, from time to time, in one or more tranches, as may be required for the business and financial requirements of the parties.

The aggregate value of such proposed transaction(s) shall not exceed ₹100 Crore (Rupees Hundred Crore Only) during the relevant period, as may be approved by the Members. The transactions may be undertaken either individually or through a series of transactions taken together.

The proposed transaction(s) are intended to facilitate the financial and business requirements of the Company and/or K D Ecosystem, as applicable, and provide the Company with flexibility to deploy or obtain funds, as the case may be, in accordance with its business requirements and applicable laws.

The Audit Committee of the Company, after considering the relevant details and information relating to the proposed transactions, has recommended the proposed Related Party Transaction(s) to the Board of Directors. The Board of Directors, after considering the recommendation of the Audit Committee and the relevant terms and conditions, has approved and recommended the proposed transaction(s) for approval of the Members of the Company.

Since the aggregate value of the proposed transaction(s) may exceed the applicable threshold prescribed under Regulation 23 of SEBI LODR, approval of the Members is being sought for undertaking the proposed Related Party Transaction(s).

Further, the proposed transactions shall be undertaken subject to compliance with the applicable provisions of Sections 185 and 186 of the Act, the rules made thereunder, SEBI LODR and other applicable laws, regulations and statutory requirements.

The Board of Directors recommends the resolutions set forth above, at Item No. 6, for the approval of the Members as an Ordinary Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS

MANAGEMENT DISCUSSION AND ANALYSIS

1. OVERVIEW

KD GREEN INDUSTRIES LIMITED ("KD Green" or "the Company"), formerly known as Manbro Industries Limited, is undergoing a significant transformation in its business profile and operating structure. During the year under review, the Company continued its strategic transition from its earlier business model towards a diversified industrial and manufacturing platform focused on steel products, galvanized steel pipes and poles, green construction materials, vehicle recycling and infrastructure-related products.

The change in the Company's name to KD GREEN INDUSTRIES LIMITED, effective April 17, 2026, reflects the evolution of the Company's business strategy and its alignment with the broader KD Group's manufacturing and infrastructure businesses.

The Company's strategy is centred around building an integrated and sustainable manufacturing ecosystem with a strong

regional presence in North-East India, while progressively expanding its manufacturing capacities, product portfolio and customer base.

The FY 2025–26 was therefore a year of business consolidation, strategic acquisitions, capacity creation and preparation for the next phase of growth.

The Board of Directors in their meeting held on June 9, 2026 have decided to merge KD GREEN INDUSTRIES LIMITED and KD IRON & STEEL PRIVATE LIMITED, both the companies have common promoters. This strategic merger will help in expanding the business activities of the Company.

KD IRON & STEEL PRIVATE LIMITED is the flagship entity of KD Group and one of the leading manufacturers of branded steel products in North-East India under the XTECH brand.

The Company's consolidated operations now have exposure to:

Galvanized steel pipes and Electric Poles;
Fabricated steel infrastructure products;
AAC blocks and sustainable construction materials; Vehicle scrappage and recycling; and Green manufacturing and renewable energy initiatives.

The Company's 51% subsidiary, Shivam Pipe Industries, has established itself as an important operating platform for galvanized steel tubular poles and pipes, with customers including electricity utilities and telecom infrastructure projects in the North-East. During the year and subsequent to year-end, the subsidiary secured multiple orders from electricity utilities and BSNL, demonstrating growing participation in government-backed infrastructure programmes.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

INDIAN STEEL AND INFRASTRUCTURE INDUSTRY

The Indian steel industry continues to remain closely linked with the country's infrastructure, construction, manufacturing, power, telecommunications and urbanisation requirements. Government expenditure on roads, railways, power distribution, telecommunications, urban infrastructure and industrial development is expected to remain an important demand driver for steel products, structural steel, pipes, poles and other fabricated products.

The North-Eastern region presents an additional opportunity owing to increasing government focus on improving physical connectivity, electricity distribution, telecommunications infrastructure and industrial development.

KD Green's increasing presence in the North-East positions the Company to participate in these infrastructure-led opportunities.

GREEN CONSTRUCTION MATERIALS

The construction industry is increasingly adopting energy-efficient and resource-efficient building materials. Autoclaved Aerated Concrete (AAC) blocks offer advantages such as lower dead weight, thermal insulation, faster construction and reduced consumption of conventional construction materials.

The Company's acquisition of a controlling interest in GREEN AAC BLOCK AND MORTAR PRIVATE LIMITED provides exposure to this growing segment. The AAC business has an annual capacity of approximately 1.20 lakh cubic metres, with reported utilisation in the range of approximately 90%.

The Company intends to develop this business further as part of its broader sustainable construction materials strategy.

3. BUSINESS STRATEGY

KD Green's strategic approach is built around five principal pillars:

A. MANUFACTURING-LED GROWTH

The Company intends to progressively transition towards manufacturing-oriented businesses with greater value addition, scale and operating leverage.

B. REGIONAL INFRASTRUCTURE OPPORTUNITY

The Company's presence in North-East India provides access to infrastructure development opportunities in power distribution, telecommunications, construction and industrial development.

C. SUSTAINABLE MANUFACTURING

The Group is developing businesses around green steel, AAC blocks, recycling and renewable energy, thereby creating a portfolio aligned with the long-term transition towards resource-efficient manufacturing.

D. VERTICAL INTEGRATION

The proposed integration with KD IRON & STEEL PRIVATE LIMITED is expected to create a more integrated steel platform encompassing manufacturing, rolling, downstream products and infrastructure applications.

E. CAPACITY EXPANSION

The Group is undertaking substantial investments to increase production capacity and create a larger manufacturing base.

4. OPERATIONAL PERFORMANCE

FY 2025–26 marked a significant transition in the Company's operating profile.

The consolidated financial performance reflects the contribution from businesses acquired during the year, particularly Shivam Pipe Industries and other businesses forming part of the Company's expanding industrial portfolio.

The Company reported consolidated revenue of approximately ₹ 63.34 crore and consolidated profit after tax of approximately ₹ 5.18 crore for FY 2025–26.

The substantial difference between standalone and consolidated performance demonstrates the increasing importance of the Company's subsidiaries and other operating entities.

Accordingly, management's focus during the year was not merely on near-term standalone revenue generation but on creating an integrated group structure capable of supporting significantly larger manufacturing operations over the medium to long term.

5. STEEL, PIPES AND POLES BUSINESS

The steel and fabricated products business represents one of the principal growth platforms for the Company.

Through its operating businesses, the Group manufactures and markets products including:

1. Alvanized steel pipes
2. Alvanized tubular electric poles
3. Structural steel products
4. High masts
5. Crash barriers
6. Gratings
7. Cable trays
8. AAC Blocks
9. Recycling of ELV

The XTECH brand is being developed as a common market identity for several of the Group's steel and infrastructure products.

The Group has also initiated brand-building activities to increase visibility and dealer confidence in the North-East market. The investor presentation highlights the appointment of Bollywood Actor Mr. Sanjay Dutt and Assamese Actress Ms. Nishita Goswami as brand ambassadors for XTECH.

SHIVAM PIPE INDUSTRIES:

Shivam Pipe Industries, in which KD Green holds a 51% stake, is an important growth engine within the Group.

The business has a manufacturing capacity of approximately 3,000 MT per month, equivalent to approximately 36,000 MT annually based on the reported operating capacity.

The subsidiary has developed relationships with various electricity utilities in the North-Eastern states and is also a registered vendor for relevant BSNL programmes.

During FY 2025-2026 and around the year-end period, the business secured significant orders for galvanized steel tubular poles, including orders from North-Eastern electricity boards and BSNL.

Such order wins provide visibility to near-term revenue while establishing the Company's credentials in government-backed infrastructure projects.

6. PROPOSED EXPANSION OF KD IRON & STEEL PRIVATE LIMITED

One of the most significant elements of the Company's future strategy is the proposed merger with KD IRON & STEEL PRIVATE LIMITED. The proposed transaction is intended to consolidate the Group's steel operations under the listed entity and create a larger flagship manufacturing platform.

KD IRON & STEEL PRIVATE LIMITED has proposed a capital expenditure programme of approximately ₹325 crore.

The proposed expansion includes:

PARTICULARS	EXISTING CAPACITY	PROPOSED CAPACITY
Furnace	90,000 MT p.a.	1,80,000 MT p.a.
Rolling Mill	99,000 MT p.a.	2,00,000 MT p.a.
Captive Solar	0 MW	25 MW

The furnace capacity is proposed to increase approximately 2.67 times, while rolling capacity is expected to approximately double.

The proposed 25 MW captive solar power plant is expected to reduce dependence on conventional grid power and improve energy efficiency.

The combination of increased manufacturing scale and lower energy costs is expected to create operating leverage over the medium term.

The proposed merger remains subject to completion of due diligence and receipt of applicable statutory, regulatory and other approvals.

7. GOVERNMENT INCENTIVES

The Group's manufacturing expansion is also supported by incentives approved by the Government of Assam.

The Company has disclosed an incentive package aggregating approximately ₹600 crore over a period of 15 years.

These incentives are expected to support the

Group's long-term expansion plans and, subject to applicable conditions and successful execution of the underlying projects, may contribute towards improving cash flows and project economics.

Management believes that the combination of regional industrial development, manufacturing capacity expansion, renewable energy generation, government incentives, and increasing infrastructure demand provides a favourable platform for long-term growth.

8. AAC BLOCK BUSINESS

The Group's AAC block business represents another important component of its sustainable construction materials strategy.

The business operates under the Green AAC Blocks brand and utilises river silt and other suitable materials in the manufacturing process. The reported annual capacity is approximately 1.20 lakh cubic metres, with utilisation reported at approximately 90%.

The Group's broader roadmap indicates an aspiration to expand AAC block capacity to approximately 2.10 lakh cubic metres annually.

The business is expected to benefit from: increasing urbanisation; infrastructure development; demand for lightweight construction materials; energy-efficient buildings; and increasing emphasis on sustainable construction.

9. VEHICLE SCRAPPAGE AND RECYCLING

The Group has also developed a presence in the vehicle scrappage and recycling ecosystem through KD Ecosystem.

The business is designed around the dismantling and recycling of end-of-life vehicles and recovery of recyclable materials.

The reported annual vehicle scrappage capacity is approximately 42,500 vehicles.

The vehicle scrappage business is strategically relevant to the Group's circular-economy positioning because recovered ferrous and non-ferrous materials can potentially form part of the broader raw-material ecosystem for manufacturing operations. The business also aligns with India's increasing emphasis on organised vehicle scrappage, recycling and resource efficiency.

- crash barriers;
- gratings; and
- cable trays.

The proposed facility has a planned steel fabrication capacity of approximately 25,000 MT per annum.

The company has made an investment of ₹ 21.25 crore in KD INFRASTRUCTURES PRIVATE LIMITED to support expansion, capital expenditure, debt repayment and general corporate requirements.

10. INFRASTRUCTURE PRODUCTS

The Group is establishing KD INFRASTRUCTURES PRIVATE LIMITED as a dedicated infrastructure manufacturing platform.

The business is intended to manufacture products such as:

alvanized and metallic products;

- steel pipes;
- poles;
- high masts;

The successful commissioning and utilisation of this facility will be an important determinant of the Group's ability to translate its infrastructure strategy into sustainable revenue and profitability.

11. FINANCIAL PERFORMANCE

The Company's financial performance during FY 2025–26 needs to be viewed in the context of the significant transformation in the Group's structure during the year.

Consolidated Financial Performance

The Company has recorded approximately a Revenue of ₹ 63.34 crores and Profit After Tax of ₹ 5.18 crores for the FY 2025–26.

The consolidated numbers increasingly reflect the contribution of businesses acquired or brought into the Group during FY 2025–26.

Consequently, comparison with historical standalone financial performance has limited analytical relevance unless the impact of acquisitions and changes in the business structure is considered.

Management expects the consolidated business model to become increasingly important as the acquired businesses mature and new manufacturing capacities become operational.

12. OUTLOOK

The Company's outlook remains focused on transitioning from a relatively small standalone operation into a diversified manufacturing and infrastructure platform. The principal growth drivers over the medium term are expected to include:

Infrastructure expenditure:

Continued investment in power distribution, telecom infrastructure, roads, construction and industrial infrastructure is expected to support demand for pipes, poles, fabricated steel and related products.

North-East India:

The Company's geographic positioning provides an opportunity to participate in the increasing infrastructure investment in the North-Eastern region.

Steel capacity expansion:

The proposed ₹325 crore expansion programme of KD IRON & STEEL PRIVATE LIMITED is expected to substantially increase the Group's manufacturing capacity.

Renewable energy:

The proposed 25 MW captive solar plant is expected to improve energy efficiency and reduce the impact of power costs on manufacturing operations.

AAC blocks:

Increasing adoption of lightweight and energy-efficient construction materials should support the Company's AAC block business.

Recycling:

Vehicle scrappage provides exposure to the emerging organised recycling economy and may create synergies with the Group's broader steel ecosystem.

Consolidation:

The proposed merger with KD IRON & STEEL PRIVATE LIMITED is expected to simplify the Group's structure, consolidate manufacturing operations and potentially improve operating efficiencies.

The management's focus will remain on execution, capacity utilisation, financial discipline and integration of the businesses acquired by the Group.

13. HUMAN RESOURCES

People remain an important component of the Company's transformation strategy.

As the Group expands its manufacturing footprint, management recognises the importance of developing skilled personnel across:

1. Manufacturing;
2. Engineering;
3. Quality control;
4. Sales and distribution;
5. Project management;
6. Finance;
7. Procurement; and
8. Regulatory compliance.

The Company intends to strengthen its human-resource capabilities in line with the scale and complexity of its expanding operations. Employee development, workplace safety and compliance with applicable labour regulations remain important areas of management focus.

14. INTERNAL CONTROLS AND RISK MANAGEMENT

The Company has established internal control mechanisms appropriate to the size and nature of its operations.

The internal control framework is intended to provide reasonable assurance regarding:

- a. Safeguarding of assets;
- b. Accuracy and completeness of financial records;
- c. Operational efficiency;
- d. Compliance with applicable laws and regulations; and
- e. Prevention and detection of fraud and errors.

As the Group expands through acquisitions and new manufacturing facilities, management will continue to strengthen

internal controls and reporting systems to ensure appropriate oversight across subsidiaries and operating units.

The management believes that an effective internal control framework is particularly important during the current phase of rapid business expansion and organisational integration.

15. SUSTAINABILITY

Sustainability is an increasingly important component of the Company's long-term strategy.

At KD Green Industries Limited, sustainability is not viewed as a standalone environmental initiative; it is increasingly becoming an integral part of our business model and long-term growth strategy.

The Company's transformation into KD Green Industries Limited reflects our broader ambition to build an industrial platform where manufacturing, recycling, resource efficiency, renewable energy and sustainable construction materials complement each other.

Our approach is centred around the principles of the Circular Economy – moving away from a traditional linear model of “take, make and dispose” towards a system where materials are recovered, reused, recycled and converted into higher-value products.

Our Circular Economy Model

The Group is developing an ecosystem in which different businesses can potentially complement one another through the efficient utilisation of resources.

At the core of this model is our steel business. Through KD Ecosystem, the Group operates a Registered Vehicle Scrapping Facility (RVSF) with an installed capacity to dismantle approximately 42,500 end-of-life vehicles annually. The scrapping of end-of-life vehicles

enables the recovery of ferrous and non-ferrous metals and other recyclable materials. The recovered ferrous metal scrap can potentially serve as an important raw material for steel manufacturing, thereby creating a linkage between vehicle recycling and the Group's steel operations.

This creates the foundation for a potential closed-loop industrial ecosystem:

End-of-Life Vehicles → Vehicle Scrapping → Metal Recovery → Recycled Steel Scrap → Steel Manufacturing → Infrastructure & Construction Products End Use → Recycling

This model has the potential to reduce dependence on virgin raw materials, improve resource efficiency and create additional value from materials that would otherwise enter the waste stream.

The proposed 25 MW captive solar power plant represents an important step towards reducing conventional energy dependence within the manufacturing ecosystem.

The Company intends to progressively integrate sustainability considerations into its manufacturing, sourcing and expansion decisions.

16. STRATEGIC PRIORITIES FOR FY 2026–27 AND BEYOND

The Company's key strategic priorities are:

Complete the proposed merger process with KD IRON & STEEL PRIVATE LIMITED, subject to applicable approvals.

Execute the ₹325 crore expansion programme in a phased and disciplined manner. Increase steel manufacturing capacity and improve utilisation.

Expand the XTECH brand across the North-Eastern market.

Scale the pipes and poles business through government and private-sector infrastructure opportunities.

Commission and operationalise KD Infrastructures' fabrication capacity.

Scale the AAC block business and improve geographic penetration.

Develop the vehicle recycling business as part of the Group's circular-economy strategy. Implement the captive solar project to improve energy economics.

Strengthen consolidated financial performance through better integration of subsidiaries and operating businesses.

Maintain prudent capital allocation and working-capital discipline.

Build a scalable and professionally managed manufacturing organisation.

17 . MANAGEMENT PERSPECTIVE

Management believes that KD Green Industries is entering a new phase of its corporate journey.

The Company's transformation is being driven by a combination of manufacturing expansion, strategic acquisitions, infrastructure demand, sustainability-oriented businesses and deeper participation in the North-Eastern industrial ecosystem.

The proposed integration of KD IRON & STEEL PRIVATE LIMITED is particularly significant because it has the potential to substantially increase the scale of the consolidated manufacturing platform. The proposed expansion would increase furnace capacity from 90,000 MT to 1,80,000 MT and rolling capacity from 99,000 MT to 2,00,000 MT, while the proposed captive solar facility is expected to support energy efficiency.

The Company also believes that the Government of Assam's approved incentive package of approximately ₹600 crore over 15 years provides an important supportive framework for the Group's long-term expansion plans.

At the same time, management remains conscious that the Company's future success will depend on effective execution, timely commissioning of capacities, prudent capital allocation, successful integration of acquired businesses, customer diversification and disciplined working-capital management.

The objective is to build KD Green Industries into a diversified, integrated and sustainable manufacturing enterprise with a strong presence in North-East India and the potential to participate in India's long-term infrastructure and industrial growth.

CORPORATE GOVERNANCE REPORT

A BRIEF STATEMENT ON ENTITY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company firmly believe that robust corporate governance is the bedrock of sustainable value creation for all our stakeholders. As a listed Company, we operate within a highly regulated environment, and our commitment to the highest standards of transparency, accountability and ethical conduct is paramount. Our corporate governance philosophy extends beyond mere compliance; it is deeply embedded in our culture and decision-making processes, guiding us in serving the interests of our shareholders, customers, employees, regulators and the community at large.

Core Principles of Our Corporate Governance Philosophy

Our corporate governance framework is built upon the following fundamental principles:

Transparency and Disclosure:

-  **Open Communication:** We are committed to communicating all material developments and financial performance in a timely, meaningful, and truthful manner to all stakeholders, in accordance with applicable disclosure norms prescribed by the Securities and Exchange Board of India (SEBI).
-  **Clarity in Reporting:** Our financial statements and other disclosures will be clear, concise, and accurately reflect our financial health and operational performance, avoiding ambiguity and misleading information.
-  **Proactive Information Sharing:** We aim to go beyond minimum regulatory requirements by proactively sharing relevant information that enables informed decision-making by our stakeholders.

Accountability and Responsibility:

-  **Board Oversight:** The Board of Directors holds the ultimate responsibility for ensuring robust corporate governance. It provides strategic direction, oversees the performance of the Company and its management, and safeguards the long-term interests of all stakeholders.
-  **Management Accountability:** The management is accountable to the Board for the day-to-day operations and for implementing the Board's directives and strategies in an ethical and efficient manner.
-  **Individual Responsibility:** Every employee, from the Board to the operational staff, is expected to uphold the highest ethical standards and act with integrity in all dealings.

Fairness and Equity:

-  **Equal Treatment of Shareholders:** We are committed to treating all shareholders, irrespective of their shareholding, fairly and equitably. This includes ensuring equal access to information and equal opportunities to participate in corporate decisions.
-  **Protection of Stakeholder Interests:** Beyond shareholders, we are dedicated to protecting the interests of all our stakeholders, including customers (through fair practices and responsible lending), employees (through fair employment practices and a safe working environment), and the wider community.

- ✚ **Prevention of Conflicts of Interest:** Robust policies and procedures are in place to identify, mitigate, and manage potential conflicts of interest among directors, management, and other stakeholders.

Independence and Effectiveness of the Board:

- ✚ **Optimal Board Composition:** Our Board comprises an optimal combination of Executive, Non-Executive, and Independent Directors, ensuring a balance of expertise, experience, and perspectives. We strive for board diversity, including gender diversity, as mandated by regulations and best practices.
- ✚ **Role of Independent Directors:** Independent Directors play a crucial role in bringing objectivity and independent judgment to Board deliberations. They oversee the company's performance, ensure transparency in decision-making and act as a check on any potential unethical practices. Their "fit and proper" status is continuously monitored.
- ✚ **Strong Board Committees:** Essential committees such as the Audit Committee, Nomination and Remuneration Committee, and Stakeholders Relationship Committee are constituted with clearly defined roles and responsibilities, predominantly comprising independent directors, to enhance oversight and specialized governance.

Risk Management and Internal Controls:

- ✚ **Robust Risk Framework:** We have a comprehensive risk management framework in place to identify, assess, monitor, and mitigate various risks, including credit risk, operational risk, market risk, and cyber risk. This framework is regularly reviewed by the Audit Committee.
- ✚ **Effective Internal Controls:** We maintain a strong system of internal controls to ensure the accuracy of financial reporting, compliance with laws and regulations, and the protection of assets.
- ✚ **Independent Audit:** We ensure independent internal and external audits to provide an objective assessment of our financial reporting and internal control systems.

Ethical Conduct and Compliance:

- ✚ **Code of Conduct:** A comprehensive Code of Conduct applies to all directors, management, and employees, outlining expected ethical behavior and standards of integrity.
- ✚ **Compliance Culture:** We foster a strong compliance culture throughout the organization, ensuring adherence to all applicable laws, rules, regulations, and internal policies, particularly those issued by the RBI and SEBI for NBFCs.
- ✚ **Whistleblower Policy:** A robust whistleblower policy encourages reporting of any unethical conduct or violations without fear of retaliation, promoting a culture of openness and accountability.

Sustainability and Social Responsibility:

- ✚ **Long-Term Value Creation:** Our governance philosophy is geared towards long-term sustainable growth, balancing profitability with responsible business practices.
- ✚ **Environmental, Social, and Governance (ESG) Considerations:** We integrate relevant ESG considerations into our decision-making, recognizing our responsibility towards the environment, society, and good governance practices.

Implementation and Review

Our corporate governance philosophy is implemented through:

- ✚ Clearly defined policies and procedures, approved by the Board.
- ✚ Regular Board and Committee meetings with active participation from all directors.
- ✚ Periodic review of our governance framework to adapt to evolving regulatory landscapes and industry best practices.

KD Green Industries Limited (formerly known as Manbro Industries Limited) is steadfast in its commitment to upholding the highest standards of corporate governance. We believe that a strong governance framework is not just a regulatory requirement but a strategic imperative that builds trust, fosters stability and drives sustainable success for our company and all its stakeholders. We are dedicated to continuous improvement in our governance practices, ensuring they remain robust, dynamic and aligned with our vision of being a responsible and leading organization.

BOARD OF DIRECTORS:

At KD Green Industries Limited (formerly known as Manbro Industries Limited), our approach to Corporate Governance is designed to foster transparency, accountability, and sustained stakeholder confidence. The Board of Directors plays an active and independent role in guiding strategic direction while ensuring that governance standards evolve continuously to address emerging risks beyond traditional business concerns.

The Board fully embraces its fiduciary duties, maintaining a strong commitment to acting in the best interest of shareholders and all key stakeholders. To ensure the effective execution of its policies and vision, the Board has delegated appropriate authority to senior leadership while establishing robust oversight mechanisms to monitor performance and compliance.

Our governance framework is built around the principle of long-term value creation. The Board, along with its specialized committees, applies sound business judgment to oversee the organization's operations, ethical conduct, and financial health. Operational responsibilities rest with the Managing Director and a skilled leadership team who manage daily activities within the strategic framework set by the Board.

To address various operational and strategic risks, including those related to internal controls and fraud, the company has implemented a comprehensive risk management system. This framework is continuously reviewed by management and undergoes formal assessment by the Audit and Risk Committees and the Board on a half-yearly basis, ensuring proactive identification and mitigation of risks.

a) Composition and Category of Directors:

The Board of Directors at KD Green Industries Limited (formerly known as Manbro Industries Limited) has been structured in alignment with the provisions of the Companies Act, 2013. The composition of Board of Directors is as follows:

Sr. No.	Category	No. of Director(s)
1	Executive Director	1
2	Non-Executive & Non- Independent Director	1

All the **Independent Directors** have verified their adherence to the independence standards set forth in Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations and Section 149(6) of the Companies Act. Furthermore, in accordance with Regulation 25(8) of the SEBI (LODR) Regulations, a declaration has been furnished by each Independent Director confirming the absence of any known or reasonably anticipated circumstances or situations that could potentially impeded or affect their capacity to perform their duties with objective and independent judgment, free from external influence.

The **Independent Directors** do not engage in any pecuniary relationships or transactions with the Company, its Promoters, the Promoter Group, or the Management that could, in any manner, compromise their independence or judgement. In the Board's assessment, the Independent Directors are individuals of integrity who satisfy the conditions stipulated in the relevant regulations and other applicable laws, and they maintain independence from the management. The complete terms and conditions of their appointment are published on the Company's website at <http://www.kdgreen.in>

 Separate meeting of Independent Directors

In accordance with the requirement under Section 149(8) and Schedule IV of the Act, the independent directors had a separate meeting on 30th May, 2026, without the presence of non-independent directors and management team along with other matters. Independent Directors discussed the below mentioned matters specified in Schedule IV of the Act and Regulation 25(1) of SEBI (LODR) Regulations:

- review of performance of Non-Independent Directors and the Board as a whole;
- review of performance of the Committees; and
- assess the quality, quantity and timeliness of flow of information between the Management of the Company and the Board that was necessary for the Board to effectively and reasonably perform their duties.

All the Independent Directors were present at these meetings.

 Performance evaluation of the Board, its committees and individual Directors

In adherence to robust governance principles guided by the Companies Act (Sections 134, 149, 177, 178, and Schedule IV), our Company has implemented a **comprehensive framework for performance evaluation**. This framework sets criteria for appraising the effectiveness of the entire Board, its various Committees, the Chairperson, and each individual Director.

Our evaluation process involved a detailed questionnaire, scrutinizing aspects like its responsibilities, the efficiency of information flow, and engagement in meetings. For **individual Directors**, assessments considered their level of participation, the exercise of independent judgment, and their grasp of the company's business operations.

The **Board and its essential Committees** underwent evaluation by all Directors, including members of the Nomination and Remuneration Committee. Crucially, the performance of each **Independent Director** was assessed by the entire Board, excluding the director under review, ensuring an objective perspective. The **Managing Director and other directors** are being evaluated individually by the Independent Directors.

These evaluation outcomes were extensively deliberated across key forums: the Board of Directors, the Nomination and Remuneration Committee, and a dedicated meeting of the Independent Directors. We're pleased to note the Directors expressed satisfaction with the overall corporate performance.

i) Detailed reasons for the resignation of an Independent Director who resigns before the expiry of his/her tenure along with a confirmation by such director that there are no other material reason other than those provided.

No any Independent Director resigns before the expiry of his/ her tenure during the financial year 2025-2026

COMMITTEES OF THE BOARD

To ensure focused oversight and effective governance across critical areas of the business, the Board of Directors has established a robust committee structure. These committees are designed to support the Board in fulfilling its strategic, fiduciary, and regulatory responsibilities with diligence and transparency. The Company currently operates through **four key Board-level committees:**

1. Audit Committee
2. Nomination and Remuneration Committee
3. Stakeholders' Relationship Committee
4. Risk Management Committee

Each committee is established with a clearly defined charter or terms of reference, outlining its scope, authority, and responsibilities. These terms of reference are approved by the Board at the time of constitution and are periodically reviewed to ensure continued alignment with the evolving regulatory landscape, business priorities, and industry best practices.

All committees operate under delegated authority from the Board and function independently while providing their findings and recommendations for final review and approval. The Board closely monitors the performance and effectiveness of each committee through regular updates and deliberations.

During the reporting year, all committee recommendations submitted to the Board were duly considered and accepted, reflecting the Board's trust in the committee process and the high standard of governance maintained across all levels of the Company.

**INDEPENDENT AUDITOR'S REPORT
STANDALONE**

Independent Auditor's Report

To the members of
KD Green Industries Limited
(formerly known as Manbro Industries Limited)

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of **KD Green Industries Limited** ("the Company"), which comprise the balance sheet as at 31st March 2026, the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2026, and the **net profit** (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

-----------------	--

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and the auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the applicable accounting standards and the other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

V.N. PUROHIT & CO.

Chartered Accountants

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain a reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in

V.N. PUROHIT & CO.

Chartered Accountants

extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this report are in agreement with the books of accounts;
 - d. In our opinion, the aforesaid Standalone Financial Statements comply with the applicable accounting standards specified under Section 133 of the Act;

ANNEXURE- B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

We have audited the **KD Green Industries Limited** as on 31st March 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at 31st March 2026, based on “the internal financial controls with reference to Standalone Financial Statements criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

V.N. PUROHIT & CO.

Chartered Accountants

We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2 Significant Accounting Policies:

(a) Statement of Compliance:

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

(b) Basis for preparation of Ind AS financial statements:

The Ind AS financial statements have been prepared under the historical cost basis which is generally based on the fair value of consideration given in exchange for goods and services.

(c) Use of Estimates:

The preparation of Ind AS financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of Ind AS financial statements, disclosure of contingent liabilities as at the date of the Ind AS financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

(d) Critical accounting estimates:

(i) Income Taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(ii) Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

(iii) Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(e) Property, plant and equipment:

Properties, Plant & Equipment are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Computer	3
Air Conditioner	5
Office Equipments	5
Mobile Phone	5

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

(f) Revenue recognition:

Revenue from contracts with customers are recognized when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognized depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods or services.

(g) Interest income:

Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

(h) Other income:

In respect of other heads of income in the Company's accounts the income shall be recognized on accrual basis.

(i) Financial Instruments:

(i) Financial Assets:

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Subsequent measurement: -

Financial assets are subsequently classified and measured at

a) Financial Assets measured at Amortised Cost (AC)

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is the cost of a financial asset adjusted to achieve a constant effective interest rate over the life of the financial asset.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

c) Financial Assets measured Fair Value Through Profit and Loss (FVTPL)

Financial assets are subsequently measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income. For financial assets measured at fair value through profit and loss, all changes in the fair value are recognised in profit and loss when they occur.

Equity instruments and Mutual Funds: - The Company measures its equity investment other than investment in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss. For investment in unquoted equity instruments, measurement is done at cost due to insufficient information available to determine the fair value of investments. In such circumstances, cost is an appropriate estimate of fair value.

Debt instrument: - A 'debt instrument' is measured at the amortised cost using the effective interest rate (EIR) method.

De-recognition of Financial Assets: - A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

(ii) Financial Liabilities: -

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at Amortised cost using the effective interest rate method.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

De-recognition of Financial liabilities: -

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

(iii) Offsetting of Financial Instrument: -

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

(iv) Impairment of Financial Assets

Equity instruments, Debt Instruments and Mutual Fund: -In accordance with Ind-AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for financial assets. Expected Credit Loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Other Financial Assets: - The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

(j) Cash & Cash equivalents:

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(k) Taxation:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961.

Current and deferred tax are recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively.

Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts.

Deferred income tax are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(l) Earnings Per Share:

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the Ind AS financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(m) Provision, Contingent Liabilities and Contingent Assets:

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs. Contingent Assets and Contingent Liabilities are not recognized in the Ind AS financial statements.

28.1 Reasons for variance of more than 25% in above ratios

Sr. No.	Particulars	Reasons of variance
1	Current ratio	The decline is mainly on account of an increase in current liabilities (₹0.40 Mn to ₹0.55 Mn) coupled with a marginal decrease in current assets (₹3.43 Mn to ₹3.27 Mn) during the year, resulting in a lower current ratio.
2	Debt- Equity Ratio	The Company repaid its outstanding borrowings during the year (Total Debt reduced from ₹2.59 Mn to Nil as at March 31, 2026), while the equity base increased marginally, resulting in the ratio reducing to Nil.
3	Debt Service Coverage Ratio	The sharp decline is on account of a substantial increase in finance cost and principal repayment of long-term borrowings during the year (from ₹0.01 Mn to ₹2.59 Mn), on repayment of outstanding debt, which significantly outpaced the increase in earnings available for debt service (₹6.15 Mn to ₹10.18 Mn).
4	Return on Equity Ratio	The decline is mainly due to a substantial increase in average total equity (₹212.15 Mn to ₹425.66 Mn) on account of accretion to reserves and net worth during the year, while net profit after tax remained largely stable (₹6.07 Mn to ₹5.76 Mn).
6	Trade Receivable Turnover Ratio	The increase is mainly due to a sharp reduction in average trade receivables (₹13.95 Mn to ₹0.58 Mn) on account of realisation/collection of outstanding debtors during the year, despite a decline in revenue from operations.
7	Trade Payable Turnover Ratio	The increase is mainly due to a sharp reduction in average trade payables (₹12.42 Mn to ₹0.16 Mn) as the Company settled substantially all its outstanding trade creditors during the year.
8	Net Capital Turnover Ratio	The decline is mainly due to a significant fall in revenue from operations (₹19.57 Mn to ₹3.74 Mn) during the year, while working capital remained relatively stable (₹3.03 Mn to ₹2.72 Mn).
9	Net Profit Ratio	The increase is mainly because net profit after tax was maintained at a level similar to the previous year (₹6.08 Mn to ₹5.76 Mn) despite a sharp decline in revenue from operations (₹19.57 Mn to ₹3.74 Mn), resulting in a significantly higher net profit margin.
10	Return on Capital Employed	The increase is mainly due to higher profit before interest, tax & exceptional items (₹6.08 Mn to ₹10.10 Mn) during the year, against a relatively stable capital employed base (₹422.78 Mn to ₹428.55 Mn).

Independent Auditor's Report

To
The members of
KD Green Industries Limited
(formerly known as Manbro Industries Limited)

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **KD Green Industries Limited** (hereby referred to as the 'Holding Company') and its subsidiaries (Holding Company its subsidiaries together referred to as 'the Group') and its associate, which comprise the consolidated balance sheet as at 31st March 2026, the consolidated statement of profit and loss (including other comprehensive income) consolidated statements of changes in equity and the consolidated cash flows statement for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereby referred to as 'the consolidated financial statement').

In our opinion and to the best of our information and explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India of the consolidated state of affairs of the Company as at 31st March, 2026, and the consolidated **net profit** (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The respective Board of Directors of the Group and its associate are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and the auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that true and fair value of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including the Indian Accounting Standards specified in the section 133 of the Act, the respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of assets of the Group and for preventing and detecting frauds and other irregularities; selection and application and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statement, the respective Board of Directors of the companies including in the Group are responsible for assessing the ability of the Group to continue

V.N. PUROHIT & CO.

Chartered Accountants

as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operation, or has no realistic alternative but to do so.

The respective Board of Directors the Group and its associate are responsible for overseeing the financial reporting process of the Group and its associate respectively.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain a reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Group or its associate to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- (vi) Obtain sufficient and appropriate audit regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statement of such entities included in the consolidated financial statements of which we are independent auditors. For other entities included in the consolidated financial statements, which have been audited by other auditors such other auditors remain

V.N. PUROHIT & CO.

Chartered Accountants

responsible for direction supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Group and its associate in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We have not audited the financial statements of three subsidiaries included in the consolidated financial statements, whose financial statements reflect total asset of Rs. 665.22 million as at 31st March 2026, total revenue of Rs. 629.70 million and net cash inflow of Rs. 46.34 million during the year ended on that date, as considered in the consolidated financial statements. The financial statements of these subsidiaries have been audited by the other auditor whose report has been furnished to us, and our opinion, so far it relates to the amount and disclosure included in respect of these subsidiaries, is based solely on the report of such other auditor. Our opinion is not modified in respect of this matter.
2. We have not audited the financial statements of one associate included in the consolidated financial statements, whose financial information reflects total share in net asset of Rs. 1.24 million as at March 31, 2026, total net profit after tax of Rs. 1.24 million, other comprehensive income of Rs. Nil and net cash flows of Rs. Nil for the year ended on that date, as considered in the consolidated financial statements. The financial statements of such associate have been audited by other auditor whose report has been furnished to us, and our opinion, so far it relates to the amount and disclosure included in respect of this associate, is based solely on the report of such other auditor. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relation to preparation of the

V.N. PUROHIT & CO.

aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

- (c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, consolidate statements of changes in equity (including other comprehensive income) and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2026 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiaries, none of the directors of the group is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in **Annexure-B**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations would impact the consolidated financial position of the Group and its associate (Refer to note no. 39 of the consolidated financial statements).
 - ii. The group and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Group and its associate are not required to transfer any amount to the Investor Education and Protection Fund.
 - iv. (a) Based upon representation by the management of holding company and report of statutory auditors for other entities in the group and to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the group to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the group ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) Based upon representation by the management of holding company and report of statutory auditors for other entities in the group and to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the group from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the group shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

V.N. PUROHIT & CO.
Chartered Accountants

- (c) Based on such audit procedures, we have obtained reasonable and appropriate evidence, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the company. Accordingly, requirement Section 123 of the Companies Act, 2013 is not applicable.
- vi. Based on examination, which includes test checks, the Company has used accounting software for maintaining its books of account for the financial year ended on 31st March 2026 which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit and the audit trail feature has not been tampered with and the audit trail has been preserved as per statutory requirement for record retention.
- (h) In our opinion and according to information and explanations given to us, the Group has not paid remuneration to its director during the current financial year under the provision of section 197 of the Act, read with Schedule V of the Act are being complied.

ANNEXURE- B TO THE AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

The Annexure referred to in Paragraph 2(f) under the heading of “Report on other Legal and Regulatory Requirements” of our report of even date to the members of **KD Green Industries Limited** for the year ended on 31st March 2026.

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

In conjunction with our audit of the consolidated financial statements of the Company as at and for the year ended 31st March 2026, we have audited the internal financial controls with reference to consolidated financial statements of **KD Green Industries Limited** (hereinafter referred to as “Holding Company”) along with its subsidiaries and its associate, as of that date.

Opinion

In our opinion, the holding company and its subsidiaries, have, in all material aspects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on “the internal financial controls with reference to consolidated financial statements criteria considering the essential components of internal control stated in the Guidance Note.

Management's Responsibility for the Internal Financial Controls

The respective management of the holding company and its subsidiaries, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, with reference to the consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

V.N. PUROHIT & CO.

Chartered Accountants

We believe that the audit evidences we have obtained for the holding company and its subsidiaries to which we are independent auditors is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A Company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2 Significant Accounting Policies:

(a) Statement of Compliance:

The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

As the consolidated financial statements are prepared for the first year, comparative figures will not appear.

(b) Basis for preparation of Ind AS financial statements:

The Ind AS financial statements have been prepared under the historical cost basis which is generally based on the fair value of consideration given in exchange for goods and services.

(c) Principles of Consolidation:

The consolidated financial statements comprises of the holding company Carnoustie Management (India) Private Limited and all its subsidiaries and associates in accordance with the requirements of Ind AS 110- Consolidated Financial Statements and Ind AS 28 - Investment in Associates and Joint Ventures. The consolidated financial statements have been prepared on the following bases: -

- (i) The financial statements of the Holding Company and its subsidiaries are combined on a line- by- line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- (ii) Profits or losses resulting from intra-group transactions that are recognised in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- (iii) Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries
- (iv) The audited / unaudited financial statements of foreign joint ventures / associates have been prepared in accordance with the Generally Accepted Accounting Principle of its Country of Incorporation or Ind AS.
- (v) The financial statements of the associate/ subsidiary companies used in the consolidation are drawn upto the same reporting date as of the Company i.e. year ended March 31, 2024.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

- (vi) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- (vii) The carrying amount of the parent's investment in each subsidiary is offset(eliminated) against the parent's portion of equity in each subsidiary.
- (viii) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognized in the Consolidated statement of profit & loss being the profit or loss on disposal of investment in subsidiary.
- (ix) Investment in Associates and Joint Ventures has been accounted under the Equity Method as per Ind AS 28 - Investments in Associates and Joint Ventures.
- (x) The Group accounts for its share of post-acquisition changes in net assets of associates and joint ventures, after eliminating unrealized profits and losses resulting from transactions between the Group and its associates and joint ventures.
- (xi) Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.
- (xii) Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.
- (xiii) Changes in a parent's ownership interest after control is obtained that do not result in a change in control of the subsidiary are accounted for as equity transactions. The carrying amount of the non-controlling interest is adjusted to reflect the change in the non- controlling interest's ownership interest in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognized in equity and attributed to the parent's equity holders.

(d) Use of Estimates:

The preparation of Ind AS financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of Ind AS financial statements, disclosure of contingent liabilities as at the date of the Ind AS financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

(e) Critical accounting estimates:

(i) Income Taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(ii) Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

(iii) Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

(f) Property, plant and equipment:

Properties, Plant & Equipment are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Computer	3
Air Conditioner	5
Office Equipments	5
Mobile Phone	5
Civil Construction	30
Electrical Equipment	15
Furniture & Fixtures	10
Plant & Machinery	20
Vehicles	8

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(g) Revenue recognition:

Revenue from contracts with customers are recognized when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognized depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods or services.

(h) Leases:

Effective April 1, 2025, the Company has adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2025 using the modified retrospective method. Accordingly, comparative information as at and for the year ended March 31, 2025 has not been restated. The impact of adoption of the standard on financial statements of the Company has been disclosed in the notes to accounts. On adoption of Ind AS 116, the Company recognised lease liabilities in relation to leases have been measured at the present value of the remaining lease payments, discounted using the company’s incremental borrowing rate as of 1st April 2025.

The Company as a lessee: Operating lease

The Company’s lease asset classes primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset throughout the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease including lease premium plus any initial direct costs less any lease incentives and estimated restoration costs of the underlying asset where applicable. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying assets useful life.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Lease liabilities and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows. The Company applies the practical expedient by the standard allowing not separating the lease component from other service components included in its lease agreements. Accordingly, all fixed payments provided for in the lease agreement, whatever their nature, are included in the lease liability. Extension and termination options are included in lease contract. These terms are used to maximize operational flexibility in terms of managing contracts. The majority of extension and termination options held are exercisable only by the company and not by the respective lessor.

The Company as a lessor:

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sub-lease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease. For operating leases, rental income is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognised as expense over the lease term on the same basis as lease income.

(i) Interest income:

Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

(j) Other income:

In respect of other heads of income in the Company's accounts the income shall be recognized on accrual basis.

(k) Financial Instruments:

(i) Financial Assets:

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost.

Subsequent measurement: -

Financial assets are subsequently classified and measured at

a) Financial Assets measured at Amortised Cost (AC)

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is the cost of a financial asset adjusted to achieve a constant effective interest rate over the life of the financial asset.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

c) Financial Assets measured Fair Value Through Profit and Loss (FVTPL)

Financial assets are subsequently measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income. For financial assets measured at fair value through profit and loss, all changes in the fair value are recognised in profit and loss when they occur.

Equity instruments and Mutual Funds: - The Company measures its equity investment other than investment in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss. For investment in unquoted equity instruments, measurement is done at cost due to insufficient information available to determine the fair value of investments. In such circumstances, cost is an appropriate estimate of fair value.

Debt instrument: - A 'debt instrument' is measured at the amortised cost using the effective interest rate (EIR) method.

De-recognition of Financial Assets: - A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

(ii) Financial Liabilities: -

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at Amortised cost using the effective interest rate method.

De-recognition of Financial liabilities: -

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(iii) Offsetting of Financial Instrument: -

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

(iv) Impairment of Financial Assets

Equity instruments, Debt Instruments and Mutual Fund: -In accordance with Ind-AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for financial assets. Expected Credit Loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Other Financial Assets: - The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

(l) Cash & Cash equivalents:

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(m) Inventories:

Inventories are valued at cost or net realisable value, whichever is lower. Cost is determined considering cost of purchase and other costs incurred in bringing inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

(n) Taxation:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961.

Current and deferred tax are recognised in profit and loss, except when they relates to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively.

Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts.

Deferred income tax are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(o) Employee Benefits :

(i) Short-term Employee Benefits:-

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Post-Employment Benefits:-

Defined Benefit Plans:-

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in 'Employee Benefits Expense' in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in Other Comprehensive Income. These are included in 'Retained Earnings' in the Statement of Changes in Equity.

(p) Earnings Per Share:

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the Ind AS financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(q) Provision, Contingent Liabilities and Contingent Assets:

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs. Contingent Assets and Contingent Liabilities are not recognized in the Ind AS financial statements.

3.1 Effective from 1st April, 2025, the Company adopted Ind AS 40 - 'Investment Property' and applied the same to all existing assets/ properties, whether owned or under lease, held with an intended use to earn rentals and capital appreciation on such asset/ property. As on 1st April, 2025, all existing lease contracts for such assets/ properties, using the modified retrospective approach, have been recognised as 'Right of Use' asset (i.e, comprising present value of unpaid lease rent and lease premium paid at the commencement of lease) and present value of unpaid lease liability under non- current liability and current liability as per Ind AS 116. As a result, comparatives for the year ended 31st March, 2025 have not been retrospectively adjusted.
